MANAGEMENT DISCUSSION ANALYSIS REPORT

INFRASTRUCTURE OVERVIEW

A strong infrastructure sector is vital to the development of a country's economy. Here, the Indian government has played an important role. Just recently, it allowed 100 per cent foreign direct investment (FDI) under the automatic route for port development projects. The government has also, this year, decided to convert roads into national highways, and has sought collaboration with Sudan in the field of renewable energy.

India's Planning Commission has projected an investment of US\$ 1 trillion for the infrastructure sector during the 12th Five-Year Plan (2012–17), with 40 per cent of the funds coming from the country's private sector. India's focus on infrastructure since the turn of the millennium has helped make it the second fastest growing economy in the world. The country's constant growth gives investors, domestic and foreign tremendous opportunity for investment in its infrastructure sector.

GOVERNMENT INITIATIVES:

Some of the Indian government's recent initiatives in the infrastructure sector are summarised below:

The Union Cabinet in February 2014 gave its approval for declaration of around 7,200 km of State Roads as new national highways. Other road development projects in the pipeline include existing national highways network totaling 21,271 km, which are not covered under any programmes/schemes as of now.

Also, in a move to enhance energy efficiency of the Indian Railways, a web-based Electrical Energy Management System, RAILSAYER, was inaugurated by Mr Kul Bhushan, Member Electrical, Railway Board, in April 2014. The portal will be used for tackling the challenges of global warming and sustainability of the environment.

In another development, the Indian government has facilitated 100 per cent FDI under the automatic route for port development projects. A 10-year tax holiday has been accorded to enterprises that are engaged in the business of developing, maintaining and operating ports, inland waterways and inland ports.

The country is also looking to collaborate with foreign partners. India and Sudan have good potential for enhancing cooperation in promoting renewable energy, as per Dr Farooq Abdullah, Union Minister of New and Renewable Energy, Government of India. The Minister has also offered Indian assistance for developing renewable energy resources in Sudan.

INDUSTRY OUTLOOK:

India Ratings & Research (Ind-Ra) has maintained an overall negative outlook for the infrastructure sector for FY16. While several availability-based road projects and the rated airports are likely to display stable credit characteristics through FY15, the outlook remains negative for toll roads under construction as well as those in early stages of operations along with minor seaports. Thermal power

projects will continue to face stress on account of unresolved off-take and fuel supply issues and hence carry a negative outlook; on the other hand, the agency expects renewable power projects (wind and solar in particular) to be largely stable.

OPPORTUNITIES & THREATS:

Opportunities:

- ◆ The growth in population and economy leading demand for infrastructure and its opportunity to provide better infrastructure
- ◆ The government estimates that \$1 trillion of investments will be required for developing India's infrastructure in the 12th plan period.
- ◆ Drawing up medium- and long-term strategies, based on expected growth in the sector
- ◆ Benchmarking current and expected IRRs with those projected by industry
- ◆ Understanding the impact of the regulatory environment on business

Threats:

- ◆ Uncertainty, especially Mining sector due to delay in resolving environmental and social issues.
- ◆ Demand for higher capacity equipment, in line with the global market trend.
- ◆ High expectations of contractor segment.
- ◆ Increasing pressure on reducing ownership costs.
- ◆ Improved technology for operational cost to stay ahead in business.
- ◆ Innovative marketing strategies to counter competition from MNCs by
- ◆ Uncertainty in Defense business.
- ◆ Attrition in skilled manpower.
- ◆ Project imports at nil duty.
- ◆ Opening up of Defense purchases to private sector increasing further competition.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Whistle Blower (Vigil) mechanism provides a channel to the employees to report to the management concerns about unethical behavior, actual or suspected fraud or violation of the Codes of Conduct or policy and also provides for adequate safeguards against victimization of employees by giving them direct access to the Chairman of the Audit Committee in exceptional cases.

The Policy covers malpractices and events which have taken place / suspected to have taken place, misuse or abuse of authority, fraud or suspected fraud, violation of Company rules, manipulations, negligence causing danger to public health and safety, misappropriation of monies, and other matters or activity on account of which the interest of the Company is affected and formally reported by whistle blowers concerning its employees.

The Whistle Blower Policy of the Company is also posted on the website of the Company.

MEETING OF INDEPENDENT DIRECTORS:

During the year under review, the Independent Directors met on 8th February, 2018, inter alia, to discuss:

1. Evaluation of the performance of Non-Independent Directors and the Board of Directors as a whole;
2. Evaluation of the performance of the Chairman of the Company, taking into account the views of the Executive and Non-Executive Directors.
3. Evaluation of the quality, content and timelines of flow of information between the Management and the Board that is necessary for the Board to effectively and reasonably perform its duties.

All the Independent Directors were present at the Meeting.

FAMILIARIZATION PROGRAMME FOR INDEPENDENT DIRECTORS:

During the year, the Independent Directors were regularly apprised with the Company's overview and its operations by the Senior Management team. Further, the business unit heads make presentation to the Board during the Board meeting on a quarterly basis pertaining to the performance and future strategy of their respective business units. The Board was also regularly apprised of all regulatory and policy changes. Our Familiarization Programme may be accessed on our Website.

PERFORMANCE EVALUATION:

Pursuant to the provisions of the Companies Act, 2013 and SEBI (LODR) 2015, the Board has carried out the annual performance evaluation of its own performance, the Directors individually as well as the evaluation of the working of its Audit, Nomination and Remuneration and Compliance Committees.

A structured questionnaire was prepared after taking into consideration inputs received from the Directors, covering various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, Board culture, execution and performance of specific duties, obligations and governance.

A separate exercise was carried out to evaluate the performance of individual Directors including the Chairman of the Board, who were evaluated on parameters such as level of engagement and contribution, independence of judgment, safeguarding the interest of the Company and its minority shareholders etc. The performance evaluation of the Independent Directors was carried out by the entire Board. The performance evaluation of the Chairman and the Non Independent Directors was carried out by the Independent Directors who also reviewed the performance of the Secretarial Department. The Directors expressed their satisfaction with the evaluation process.

AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

To
The Board of Directors
SOURCE INDUSTRIES (INDIA) LIMITED,
Hyderabad.

I have examined the compliance of the conditions of Corporate Governance by SOURCE INDUSTRIES (INDIA) LIMITED for the year ended on March 31, 2018, as stipulated in SEBI (Listing Obligations & Disclosure Regulations) 2015 of the said company with the stock exchanges.

The compliance of the conditions of Corporate Governance is the responsibility of the Management. My examination, conducted in the manner described in the guidance note on 'Certification of Corporate Governance' issued by the Institute of Chartered Accountants of India was limited to procedures and implementations thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to me, and the representations made by the Directors and the Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Agreement.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

INDEPENDENT AUDITORS REPORT

To the Members of
SOURCE INDUSTRIES (INDIA) LIMITED

Report on Financial Statements

We have audited the accompanying Ind AS financial statements of SOURCE INDUSTRIES (INDIA) LIMITED (the "Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss, including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (together hereinafter referred to as "Ind AS financial statements").

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act., read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance

of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under. We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as

evaluating the overall presentation of the Ind AS financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, its Loss including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF SOURCE INDUSTRIES (INDIA) LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of 143 of the Companies Act 2013 ('the Ac')

To the Members of SOURCE INDUSTRIES (INDIA) LIMITED

We have audited the internal financial controls over financial reporting of SOURCE INDUSTRIES (INDIA) LIMITED ("the Company") as of March 31, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls

over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding

the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any

evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1.15 Depreciation and Goodwill

Depreciation is provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

The useful lives of assets are periodically reviewed and re-determined and the unamortised depreciable amount is charged over the remaining useful life of such assets. Assets costing Rs. 5,000/-and below are depreciated over a period of one year

1.16 Intangible Assets

“Intangible assets are stated at cost less accumulated amortization and impairment if any. Intangible assets are amortized over their respective estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

During the year the company has not provided any amount amortization of intangible assets.

The estimated useful lives of intangible asset is as follows:

Type of Asset	Useful life
Intangible Asset	10 Years

1.17 Foreign Currency Transactions

“The company translates all foreign currency transactions at Exchange Rates prevailing on the date of transactions. Exchange rate differences resulting from foreign exchange transactions settled during the year are recognized as income or expenses in the period in which they arise.

Monetary current assets and monetary current liabilities that are denominated in foreign currency are translated at the exchange rate prevalent at the date of the balance sheet. The resulting difference is also recorded in the income or expenses.”

1.18 Taxes on Income

Income tax comprises current income tax and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

- a) Current income tax: Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the period. The Company off sets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.
- b) Deferred tax: Deferred tax asset and liabilities are measured at the tax rates that are expected to apply to the period when the asset / liability is realized, based on tax rates (and tax

laws) that have been enacted or substantively enacted at the balance sheet date. Deferred Tax assets are recognized and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

1.19 Earning Per Share (EPS)

In determining earnings per share, the company considers the net profit after tax expense. The number of shares used in computing basic earnings per share is the weighted average shares used in outstanding during the period.

1.20 Investments

Long term unquoted investments are stated at cost & all other investments are carried at lower of cost or fair value.

1.21 Impairment of non-financial assets

“The Company assess at each reporting date whether there is any indication that the carrying amount from non financial assets may not be recoverable. If any such indication exists, then the asset’s recoverable amount is estimated and an impairment loss is recognised if the carrying amount of an asset or Cash generating unit (CGU) exceeds its estimated recoverable amount in the statement of profit and loss.

Goodwill is tested annually for impairment. For the purpose of impairment testing, goodwill arising from a business combination is allocated to CGUs or groups of CGUs that are expected to benefit from the synergies of the combination.”

1.22 Provisions and Contingent Liabilities

A Provision is recognized if, as a result of past event, the Company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the present obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.23 Financial Instruments

A financial instrument is any contract that give rise to a financial asset of one entity and a financial liability or equity of another entity.

Initial Recognition

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Subsequent Measurement

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved both by collection contractual cash flows on specified dates to cash flows that are solely payments of principal and interest on the amount outstanding and selling financial assets.

Financial assets at fair value through Profit and Loss

Financial assets are measured at fair value through profit and loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs that are directly attributable to the acquisition of financial assets and liabilities at fair value through profit and loss are immediately recognised in statement of profit and loss.

Financial liabilities

Financial liabilities are classified as measured at amortised cost or Fair Value Through Profit and Loss Account (FVTPL). A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in statement of profit and loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in statement of profit and loss. Any gain or loss on DE recognition is also recognised in statement of profit and loss.

De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for DE recognition as per Ind AS 109. A financial liability (or a part of a financial liability) is derecognised from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

“Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above are considered an integral part of the Company's cash management.”

1.24 Cash flow statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the company are segregated.

1.25 First-time adoption of Indian Accounting Standard (Ind AS)

These Financial statements of the company for the year ended March 31, 2018 have been prepared in accordance with Ind AS. For the purpose of transition to Ind AS, the Company has followed the guidance prescribed in Ind AS 101-First time adoption of Indian Accounting Standards, with April 1, 2016 as the transition date and IGAAP as the previous GAAP.

The transition to Ind AS has resulted in changes in the presentation of the Financial statements, disclosures in the notes thereto and accounting policies and principles. The accounting policies set out in Note 1 have been applied in preparing the Financial statements for the year ended March 31, 2018 and the comparative information. An explanation of how the transition from previous GAAP to Ind AS has affected the Balance Sheet and Statement of Profit and Loss, is set out in notes.
